Subject: October 2013 Basewide Groundwater Sampling Event
Attachments: George_Fall 2013_GW Sampling.pdf

BCT Members,

Please find attached a tech memo outlining the groundwater monitoring wells that will be sampled across various sites at the former George AFB as part of the October 2013 basewide annual groundwater monitoring event.

The field work is scheduled to commence on October 7th, 2013, and is estimated to last about 2-3 weeks.

Regards,

Homayoun (David) Daftary, PG, CHG
